

New Christ Church Primary School joins BST

New Christ Church Primary School, Milman Road Reading have become the third school to join our trust as at 1st May 2018.

New Christ Church is a one form entry C of E school situated a mile from Reading town centre which means that all three schools within the trust are relatively local to one another. The locality of schools within the trust is important for effective collaboration between all trust schools.

New Christchurch is housed in beautiful Victorian buildings and the main school building was built in 1868 and is just a few minutes' walk from Christ Church.

July 2018 was a year of celebration for the school due to their 150th Anniversary.
